MAHORO MUST STAY!

To: Minister for Immigration
The Home Office, 2 Marsham Street, London, SW1P 4DF

We oppose the removal of Adela Mahoro Mugabo (Home Office Reference Number: M1165410) to Rwanda.

Mahoro's husband was murdered in 2002 by the Interharamwe Hutus, and as a Hutu herself the Rwandan Military Intelligence accused her of covering up for her husband's murderers. She was tortured and raped, and is now HIV+. If Mahoro is returned to Rwanda she will still be in danger, and will be unable to get the anti-retroviral drugs she needs to survive.

Mahoro needs a safe environment in which to lead a healthy life, and we, the undersigned, urge the Minister to allow her to stay in the UK.
